

BONDS
Surety & Fidelity Bonds

Do you have a client that needs a fidelity bond to satisfy 5500's bonding requirements?

Online makes it easy

Apply • Purchase • Print • DONE!

At [Colonial Surety Company](#) we make life easier for Pension Professionals and their clients. Purchasing bonds can be an easy thing to lose track of, so we've made buying bonds just a few clicks away and our management reports make sure you'll always know what bonds your clients have come filing 5500's year after year.

Fiduciary Liability Insurance IS important and available:

More than ever participants are becoming better educated about their pension plans. **Now you can protect your clients' personal liabilities and yours by offering Fiduciary Liability Insurance with extended Fiduciary Protection**, buffering them from exposure by lawsuits filed by plan participants, disgruntled employees, the Department of Labor or the Internal Revenue Service.

Our online rate calculator can be found here:
